## ISL INDUSTRIAL LTD - COVID VISITOR POLICY

10<sup>th</sup> November 2021

Dear Customer,

ISL Industrial Ltd is an importer & distributor of a large number of leading brands, as such we are part of the supply chain to essential business and remain in operation at all Covid-19 levels.

As an SME operated by a small team for the health and safety of our staff and visitors, ISL Industrial Ltd has made the decision to require all visitors and contractors to be vaccinated for COVID-19.

All site-visiting customers will now be required to provide their vaccination status (including medical exemptions) upon arrival at our East Tamaki premises. Please be assured that all information provided will be kept confidential. Any visitor not able to provide this may be turned away from entering the building.

To provide a safe workplace for all our employees and visitors, all ISL Industrial staff are vaccinated. In addition, implemented controls that include, but not limited to, the use of face coverings and physical distancing of 2 meters.

If you require any further information, please do not hesitate to contact us.

Yours faithfully,

Colin Hodges  
Managing Director
